

CAR DETAILING SUPERVISION LEVEL 3

Synopsis

This intensive 3-day program is designed to equip participants with the skills required to supervise car detailing operations efficiently. It focuses on coordination, supervision, quality control, and leadership in car detailing. Participants will engage in hands-on training covering exterior and interior detailing, engine cleaning, polishing, and coating operations, followed by a final assessment on the third day.

Course Objective

Gain an overview of supervisory roles, learn to uphold detailing quality standards and procedures, and implement workplace safety protocols and risk management for a safer, more efficient work environment.

Audience

Ideal for experienced detailers moving into supervision, automotive professionals expanding expertise, business owners enhancing service quality, and those with Level 2 certification or equivalent experience.

Pre-requisite :
None

Duration :
3-day (9.00am - 5.00pm)

Course Delivery Mode :
Classroom training
